 - 3. **What things does the widow have? Make another list.** (Eg she has her sons, a house, her neighbours, Elisha's advice, the jar of oil, faith.)
 - 4. **How did Elisha help the widow?** (Eg he advised her to draw on the help of her neighbours - asking for jars; he showed her to look creatively at what she had and what she could do; he showed her how to help herself.)
 - 5. **How is this story similar to Meseret's story?** (Eg Meseret was poor and was looked down on for being a woman; she worried for the future of her children; Meseret has been working with her neighbours in the self-help group; she has learnt how to help herself and her family.)
