

Forgiven (1)

- Impossible
 - what is impossible?
 - elbow/nose
 - lift ring finger when "big" finger bent
 - self up by bootstraps
- *Sin - can't sort it out ourselves*

Forgiven (2)

- Iron/creases
 - some things may seem better than others, less creased, but really all need ironed
 - and with the right equipment (iron) they can be transformed...
- *Sin can be dealt with by Jesus*

Forgiven (3): Substitutes

- *(Football boy picture)*
- Times people stand in for us...
 - substitute on a football or Rugby team
 - understudy at the theatre
 - stunt double in the movies
 - power of attorney, person empowered to act on another's behalf if they aren't able to
 - lawyer in court
- *(Cross picture)*
- Jesus stood in for us, even more than just arguing our case he even took our punishment - because we were unable to
 - isn't that "unfair", him taking our punishment?
- Emphasise him doing it for us, that which we were unable to accomplish ourselves
- Pride of thinking we can't be forgiven!
