

- *Family service*

Emotions running high!

- Get some folk out and **tableaux** the scene:
 - **Jacob and his wife**
 - **Joseph**
 - **brothers**
 - Do dreams etc - **what are they all feeling?**
 - God can use even the messy stuff of our lives:
 - its not that its OK to give in to the more negative things that we feel
 - but they are a real part of who we are...
-

On the road... to service

- Batman Begins...
- Avengers Assemble - and the precursor films...
- Star Wars - prequels (Disney?!)
- Back to story of Joseph and what happened next - cartoons
- Preparation:
 - how is Joseph feeling in all this?
 - thought God had a big plan for him....
 - but now?
- *Its about character*
- Think God has forgotten you?
