

- Sunday between holiday and CLAN; Jayne sharing stories from Nigeria...

Incarnation?

- I often connect this passage first with Christmas...
 - entry of Jesus into the world...
 - but it is richer in scope than just that...
- Passage about communication
- Passage about living
 - about sharing life with (dwelling), entering into the experience of, others
 - about treating others with grace
 - about sharing truth
 - about giving up things (Jesus was with God)

Application

- Who are we sharing life with?
- What are we giving up so we can share life with others?
- How are we carrying God's good news, of the light of the gospel, of good news, into those situations?
