

CCC Listening to the Community Workshop

The disciples started to see the need

- v.35-36
- Disciples had been with Jesus for a while
 - had started to see things as Jesus saw, seeing need, wanting to respond
 - hopefully something of what we've done over the past months

Jesus invited them to respond to the need

- v.37
- Jesus invited them to **respond to the need**
 - but it was **too vast for them...!**

Jesus said: Start with what you've got!

- v.38
- Go and ask
 - offer what you find to me
 - and I will take and use that in ways beyond your imagining!
- Jesus said: **Start with what you've got!**
