

Matthew 21:23-27 Through a Different Lens: Two Sons Entry, 17/10/2010, am

- Family service, in series on Parables

Two sons (1)

- Tell the story graphically
 - Little bit of background to what was happening at time Jesus told the story, the context - would the Pharisees respond to him or reject him?
 - were they responding to God or rejecting him...?
 - would they do what God asked them to?
-

Two sons (2)

- Variation on Simon Says where you always say "I will XXXXX", but only do the thing when its Jesus says!
 - touch nose, touch ears, stick out tongue, stand up, say hello, nod your head, point at the cross, put hands together (as if praying), sit down...
- Lens to look at ourselves
 - membership promises...?
- Do something responsive - slip of paper - to reflect where we are in danger of saying yes we believe in God, yes we will do what he says... but not actually acting on it
